## GAME LIST

with description

- 1 **Meteorite Mission** ★  
Transfer the metal ball held on a ring from one station pole to another station pole. Each participant will hold a string tied to the ring to balance the ball and proper coordination and skill is required to ensure the metal ball does not fall out of the ring. Strategy, patience and good team work is vital in this game and strong communication skills and listening skills are also required. Game can be further advanced by holding the string using the waist, the neck or even doing it blind-folded under the guidance of an associate. Game can associate.
- 2 **Choose The Color**  
Communication among the team is a key to win this game. Sets of balls with different colors will be randomly scattered on the floor ring. Each representative of the team will be blindfolded and they will have to follow their teammates' voice in order to collect their assigned balls. The fastest team who collect their full set of balls wins.
- 3 **Bottle Fishing**  
The main challenge of the game is to move bottles from one place to another using Skytrex's specially made fishing rod. Each participant needs to take turn to lift up the bottles and carry them back to the starting point. The first group who managed to bring all of their bottles back wins the game.
- 4 **Gorilla Walk**  
As funny as the name sounds, each participant has to walk with balls in between their armpits and legs, looking like a Gorilla. They have to do relay run from one point to another and then pass the balls to another teammate. The challenge continues until all of the teammates have completed the challenge. Sounds easy? The only problem is that you have to do it faster than the other team. Fun game to break the ice between the members.
- 5 **Tidal Wave**  
Each team is supplied with a fixed number of water balloons to pass over their head to the person behind without dropping them until it reaches the last person. The team with the most number of balloons of water in the bucket at the end of the queue wins.
- 6 **Waiter Race**  
The tray is placed with various objects such as glasses and bottles, and must be held with only one hand. The first waiter to cross the last line with the tray and all its content is declared the winner.
- 7 **Gunny Sack Race**  
Gunny Sack Race is one of the fun outdoor games for all age groups with simple rules. This game can be enjoyed by all ages and gender groups. It promotes competitiveness and builds team work. It also requires speed, physical strength, and flexibility. The game starts when the first person of the group stand inside the gunny sack and starts to hop his way to the turning end and back to the starting point. The first group to return wins the game.
- 8 **Roll The Ball**  
Each team will be given a ball in a relay race. First player will have to roll the ball to the next player at the other end of the line and bring them back to the starting point. Fun and simple, this is a good game for every team to motivate each other to finish the challenge and win the game.
- 9 **Coconut Bowling**  
A modified version of the real bowling game, this coconut bowling uses coconut as the ball and plastic bottles as pins. Pins are arranged in a triangle form and the player will have to knock down all the pins by rolling out the coconut to them. The game is easy yet challenging, as the coconut is not totally round. It requires a good technique to roll the coconut and aim properly for the pins.
- 10 **Magic Chopstick**  
Players will take turn to get the marble out from bowl by using chopstick. A deep concentration and a good technique is required to remove as many marbles as they can within the specific time.

## SKYMATCH

Our fun filled telematch games conducted for groups at a field to compliment the Skytrex activities. It is provided as an add-on to Skytrex activities and cannot be acquired separately.

# BIRTHDAY PARTY TERMS + CONDITIONS

SKYTREX MELAKA

## *Greetings from Skytrex Adventure!*

We would like to thank you for choosing us for your celebration today and we hope that our assistance has been a great support in organising your event so far. In order to provide you with a smooth celebration, please read the notes below to better understand our policy in holding events at our park. Our friendly reminders will ensure that your special event will run smoothly, happily, and successfully.

1. For the comfort and safety of your guest and others, we would like to ask you to help us to keep the event area and atmosphere clean, safe and inviting at all times.
2. Please ensure that ALL decorations set by our events team are well preserved and are NOT damaged, taken or destroyed by you, your guests and others.
3. Please feel free to take back home the balloons but please leave all the other decoration items behind.
4. Please take care of all personal belongings and ensure that you take them with you at the end of the party as Skytrex Adventure takes no responsibility for any loss of belongings.
5. To ensure children play safely and leave with happy memories, adults must supervise all children attending the party.
6. To respect the others in enjoying the serenity of the park, any form of music is not allowed to be played during the party.
7. No cooking or any form of open burning is allowed at the park except at the designated BBQ Pit area.
8. In the case of any emergencies, please remain calm and follow the instruction given from our instructors.
9. Penalty will be imposed to the host if the reminders stated above are not abide.

I hereby acknowledge that I have read, understood and agreed to abide by the terms above and I would take full responsibility in the event that the above terms are not complied with.
